## **CHAIRMAN'S STATEMENT**

A warm welcome and my best wishes to you all for the forthcoming 2022 Hornchurch Athletic Cricket Club season which I hope can be successful and enjoyable both on and off the field for us all.

This season promises to yet again be one of ground-breaking progress for the club. Due to high demand for Saturday cricket, last season we established a friendly 5<sup>TH</sup>XI. Adding a 5<sup>th</sup> team, brought with it many practical challenges so we are indebted to James Collier for skippering the side and managing to get XI players each week and to Laurence Weeks for finding weekly fixtures.

I'm also grateful to the HACC Cricket and Selection Committees for their tireless support for this venture. Our collective efforts mean that we can enter the 5<sup>TH</sup> XI into the league this season and thus provide quality cricket for an even greater membership, a good thing in itself and a sign of our continued progress and strength as a club.

As per last season, our 1<sup>ST</sup> XI will participate in their second season in the Hamro Essex League and along with our new 5<sup>TH</sup> XI, our 2's, 3's & 4's will represent HACC in the T-Rippon Mid-Essex League. My best wishes go to all captains and vices for a successful season.

Our colts and coaching section has continued throughout the winter under the stewardship of Stuart Whitaker. Many of you will be aware that our colts participated in the inaugural Havering Indoor League. With our young U13s and U11s playing well and improving with each game and to cap it all, our U9s coming in 2<sup>ND</sup> place, a fantastic result and we as a club are hugely proud of their achievements.

As ever, we are planning a full colts programme across the summer at all age groups, including our fourth season running the highly successful ECB All Stars programme for young cricketers aged 3-7, girl's cricket through our partnership with Frances Bardsley Academy and via the ECB Dynamos programme. It promises to be a busy summer for our colts and girls cricket section so my ask of you all is to please support these activities and initiatives whenever you can.

Successful clubs always have strong and established colts sections; to state the obvious it is the lifeline of any club and without such a strong colts section, the future of any club is precarious. It is satisfying to see our young players, former colts, beginning to progress into the adult teams and make strong contributions.

As ever, we are all indebted to the huge contribution that Stuart Whitaker makes, every season, all year round, to the HACC colts section. The club is arguably as strong as we have ever been for many reasons and one of them is Stu. I'm also grateful to all our younger players, associated members, siblings and parents who also assist.

As ever, as a club, we are incredibly lucky to have some dedicated and committed members who tirelessly give up their time and energy for the benefit of us all. Thankfully this winter has been kinder than last, and this has helped preparations for the season at both Hylands and Raphael's Park, our second home ground.

As ever, I am grateful to Gareth Broad for all his efforts, throughout the year, to support the progression of our club, both as a HACC member and in Gareth's role as Hornchurch Athletic Sports Club Chairman. Without the

support of Gareth and the Sports Club, our progress would be limited. Special mention in this regard must also go to our groundsman Phil Maule, who along with his team and Gareth, continue to provide outstanding playing surfaces at Hylands and will be an invaluable support as we improve Raphael's and begin our league season for the 5<sup>th</sup> XI at Emerson Park school.

The past twelve months have continued to be a challenge for many of us and we embark upon the 2022 season having recently lost two HACC legends, Ray Cooper and John Crane.

Ray's HACC career stretched back many years, as a player, as a captain, as a committee member in various roles and as a consistent supporter of the club. My last conversation with Ray at Hylands was on a sunny Sunday morning as he watched his grandchildren, along with 60 others, participate in our All Stars programme. 'It's brilliant' he remarked, both at the scheme and at the strength of the club that he witnessed before him.

John Crane's contribution to HACC needs no introduction, the reason we are in such a healthy state has much to do with John, his contribution over many years has been immense, unmatched and unparalleled. For me the event of the year was John's retirement party in September last year, with members young and old, families and associates of the club from far and wide, coming together to celebrate John's contribution.

We now have his good work to do, and it is incumbent upon us all to contribute and maintain the level of success and progress that John instilled within the club. I know

you will join me in also continuing to offer the support and friendship of HACC to both John and Ray's families.

Whilst our loss may be great, I am also, yet again, reminded of the friendship, camaraderie and support we receive, through our association with a club like Hornchurch Athletic CC, and that this support and friendship transcends sport itself. I remain immensely proud to be associated with such a welcoming and supportive club and I hope that we can continue to offer the hand of friendship and support to all members and wider associates throughout 2022.

It's an exciting time for the club with lots of events planned for 2022 throughout the season, both on and off the field. Please follow progress throughout the year through our club website, Facebook, Instagram & Twitter accounts.

Best of luck to you all, enjoy our cricket, enjoy our club and be proud to represent HACC.

**Chris Martin, HACC Chairman**

## **HACC SPONSORSHIP OPPORTUNITIES**

### **Why Is Sponsorship Important?**

Running a cricket Club is not easy and is getting more expensive by the year, with ever increasing costs.

We host a number of fundraising events throughout the year and will continue to do this but we also need the support of outside sponsors.

### **What We Can Offer?**

HACC offer a wide range of sponsorship opportunities at different levels, and given our place in the local community, prominent location in a public park, social media activity and exposure to the local press, feel that we can offer potential sponsors a mutually beneficial arrangement.

Opportunities Available:

- Shirt Sponsorship
- Score Box
- Banners/Signs (Sight Screens/Nets)
- Match Day/Cricket Tea
- Match Ball
- Club Patron Scheme
- 100 Club
